Greater San Diego
Math Council

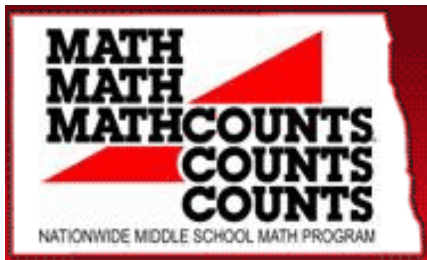

What Is MATHCOUNTS?

MATHCOUNTS is a national enrichment, club and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. state and territory. Participants advance through School, Chapter and State Competitions until the final 228 students (Mathletes) are selected from fifty-seven states and territories to advance to the MATHCOUNTS National Competition held each May.

MATHCOUNTS In San Diego

For the last several years, the University of California San Diego School of Engineering has hosted the San Diego Chapter Competition. UCSD School of Engineering students volunteer their time to help the event as Competition proctors and graders. Peter Livingston the coordinator for the chapter competition. Peter Livingston is also a board member of the California Society of Professional Engineers (CSPE), which sponsors twenty-five local competitions and Southern and Northern California MATHCOUNTS State championships in March.

Why Sponsor MATHCOUNTS?

By sponsoring the San Diego Chapter Competition, you are contributing to an invaluable program that provides today's students with the foundation for success in science, technology, engineering and mathematics careers. Your donation also help to encourage students to seek education and employment locally. It is an excellent opportunity to become affiliated with a highly successful program for middle school students.
