

2016 National Engineers Week Annual Awards Banquet www.new-sandiego.org

Host: The San Diego County Engineering Council
Friday, February 26, 2016, 5:00 P.M. – 9:30 P.M.
San Diego Air & Space Museum, Balboa Park
2001 Pan American Plaza, San Diego, CA 92101

Keynote Speaker: Dr. Richard Hallion

TOPIC: “Technological Invention and Innovation: A Selective Review”

Dr. Hallion received his BA and PH.D from the University of Maryland in the 1970s. In 1993, he graduated from Harvard University’s National Security Studies Program for Senior Executives. Throughout his long and illustrious career, Dr. Hallion has held numerous positions including, among others:

- Curator of Science and Technology for the National Air and Space Museum
- NASA Contract Historian
- Air Force Historian at Edwards AFB; Wright Patterson AFB; Andrews AFB; and the Pentagon
- Special Advisor for Airspace Technology to the Air Force Chief Scientist
- Research Associate in Aeronautics, National Air and Space Museum, Smithsonian Institution

Dr. Hallion has published a diverse variety of books, articles, and essays related to his profession and his areas of expertise. In addition, he is a Fellow of AIAA, RAes, and the Royal Historical Society, as well as being a member of various military, defense and historical societies.

Student Reservations: Contact Ken Discenza with inquiries and reservations (sitedesign@sda-pe.com or at 619-442-8467). Students are encouraged to attend. Several societies and company/corporate sponsors have graciously donated seats allocated for students. Student reservations shall be by financial commitment, (\$5 in lieu of the \$50). However, in order to place your name on the student listing, you must mail the following by Feb 8, 2016:

1. Financial commitment \$5
2. Name
3. College affiliation (USD, SDSU, UCSD, City College, Southwestern College, Mesa College), major and year (freshman, sophomore, junior, senior or graduate student)
4. Email
5. Address and phone number

Failure to provide ANY of the items delineated in 1-5, shall be cause to eliminate your reservation. Mail to: Ken Discenza, NEW SD 2016 Student Liaison, 888 Brockton, El Cajon, CA 92020. All must be postmarked by February 8, 2016. Students may also make their reservations and send the above information by email to Ken Discenza. Students shall be contacted via email by February 22, 2016 as to placement. If we are unable to place you in corporate/society spots, you will be contacted and your \$5 will be returned.

2016 National Engineers Week Sponsorship Form

National Engineers Week San Diego 2016
February 21st – 27th

The National Engineers Week Foundation is a formal coalition of more than 100 professional societies, major corporations and government agencies dedicated to ensuring a diverse and well-educated future engineering workforce. This is done by increasing awareness and interest in engineering and technology careers among young students and by promoting pre-college literacy in math and science. National Engineers Week (NEW) also raises public understanding and appreciation of engineers' contributions to society. Although NEW is a nationwide event, each major county puts together their own E-Week and San Diego county does just that. The week in San Diego has many events with the culmination being the awards banquet which sponsored by the San Diego County Engineering Council (SDCEC) and hosted at the San Diego Air and Space Museum in the beautiful Balboa Park.

This year's contributing societies are:

ACI	American Concrete Institute
AIAA	American Institute of Aeronautics and Astronautics
APWA	American Public Works Association
ASCE	American Society of Civil Engineers
ASHRAE	American Society of Heating and Refrigeration Engineers
ASME	American Society of Mechanical Engineers
CSPE	California Society of Professional Engineers
INCOSE	International Council on Systems Engineering
IEEE	Institute of Electrical and Electronic Engineers
SEAOSD	Structural Engineers Association of San Diego
SHPE	Society of Hispanic Professional Engineers
SWE	Society of Women Engineers

Each year one of the many professional engineering societies leads the committee to put on National Engineers Week. This year the general chair is the American Institute of Aeronautics and Astronautics (AIAA) and the theme is: **“Engineers Make a World of Difference.”** This year's San Diego National Engineers Week will have events such as Engineering Day at the Mall and MathCounts at UCSD to go along with the Awards Banquet.

The awards banquet will take place on Feb 26th at the San Diego Air & Space Museum. Along with dinner, the night will include presenting awards to individual and organizations from the San Diego County region in the categories of:

- **Outstanding Engineer**
- **Outstanding Engineering Educator**
- **Outstanding Engineering Project**
- **The Dr. Thomas Avolt Kanneman Outstanding Engineering Service Award**
- **SDCEC/Co-sponsored Outstanding Engineering Project**
