

National Engineers Week San Diego 2013 Awards Banquet

Engineers
Week
2013
February 17-23

Each year one of the many professional engineering societies leads the committee to put on National Engineers Week. This year the general chairs are the National Society of Black Engineers (NSBE), the Society of Hispanic Professional Engineers (SHPE), and the Society of Women Engineers (SWE). This year's theme 'Celebrate Awesome' celebrates you—engineers, engineering students, and technicians—and all of the amazing things you do everyday to make the world a better place. Join us Feb 22nd at the University of San Diego (USD) for a dinner, awards, and a keynote address from three individuals at varying career levels.
